Mr. Yelk,

Please note that the Attorney General's Office does not have enforcement authority over the Public Records Act, therefore, we would not be able to assist in this matter. Please review the Vermont Public Records Act enforcement section linked [here](#), which details the appeal process when records are denied. You may also wish to review the resources posted on our Open Government page, linked [here](#).

I hope this information is helpful to you.

Best,

Thank you very much for your response. I reached out to the AG as we are not able to obtain this information from the below mentioned entities.

Montpelier WW refused to provide any information while it is public record. CVSWMD is not attached to this process as I was told.

I would appreciate any assistance.

Best  
Jason
